

Volunteer marshals

Why we need you:

To support your local area event manager during Race for Life and help in the successful running of the event course.

What will I be doing?

The role of marshal will involve some or all of the following activities:

- Helping to set up the 5k course
- Guiding and directing participants around the course
- Encouraging, clapping and cheering on our participants
- Using a radio to log progress/inform incidents
- Helping to clear the course after the event

What skills do I need?

- Good interpersonal skills
- Good communication skills
- Good practical skills
- A proactive attitude
- A willingness to muck in and work as part of a team

How much time do I need to commit?

Marshals need to be available for approximately 5 hours per event.

What support will I be given?

A dedicated area event manager will brief, guide and support you on the day.

What benefits can I expect?

- The satisfaction of knowing you are making a valuable contribution to Cancer Research UK and raising money for the cause
- The buzz of helping to set up and run successful events
- The enjoyment of meeting new people within your community and being part of our local team
- The opportunity to develop communication and fundraising event skills
- The chance to gain experience of working with one of the UK's leading charities on its premier national event series
- Catering will be provided

Where can I find details of my nearest Race for Life event?

Your nearest Race for Life event can be found at www.raceforlife.org/findanevent.
