Gift Aid declaration

If you are a UK tax-payer: under the Government's Gift Aid scheme Cancer Research UK can claim the tax you have already paid on your gift. This means that your donation can increase in value by 25% at no extra cost to you. You must pay an amount of income and/or capital gains tax for each tax year (6th April one year to 5th April the next) that is at least equal to the value of the basic rate tax that we will claim on your donations made in that tax year. Please remember to inform us of any changes in your tax status or name/address.
