

Relay For Life Candle of Hope Committee Member

What will I be doing?

- Promoting and coordinating the dedication of Candles of Hope for your Relay. The donations towards these dedications are an important source of fundraising for Teams and a way of drawing in the whole community to the event.
- Sourcing candles, sand and gas lighters – you could perhaps do this from local businesses that may like to support the event.
- Recruiting a team of helpers to decorate the Candles of Hope prior to the event, set up and light the Candles at the Relay and clear everything away at the end of the event.
- Planning and organising the Candle of Hope Ceremony, including choosing appropriate music, poems and speakers to reflect the significance of the Ceremony.

Interested in this role?

Find your nearest Relay on the Relay For Life website:

<http://www.cancerresearchuk.org/relay/> and contact the committee to find out if they are currently looking for someone for this role.
