Be involved. Influence and inspire.

When you get involved you generate insight, for our staff and researchers. You influence politicians and inspire our supporters. You help to accelerate our progress towards our ambition of seeing 3 in 4 people survive their cancer by 2034.

Find your next opportunity to be heard and make a difference now.

Patient Involvement Network

“My involvement means so much to me and to the organisation.”

Geetika

Share your experiences as a patient, carer or loved one to help shape our work as it develops.

Media Volunteers

“Sharing your story changes lives. Not just for me, but for people everywhere.”

Laurel

Share your personal story to help raise vital funds for our work, awareness of cancer and our research progress.

Campaign Ambassadors

“I can make a real difference in helping to ensure as few families as possible go through this devastating experience.”

Patrick

Help influence Government policy by campaigning on key issues and talking to politicians.
