1. This sweepstake is an exempt lottery under the Gambling Act 2005 and is promoted by _____________________________________________________________________________________________________ (please write the name and address of the organiser here i.e. the person responsible for collecting the money).

2. The poster is for use in Great Britain only.

3. The promoter and the entrants must be 16 or over.

4. Your sweepstake must be conducted as a work or residents lottery. This means that people are only eligible to enter if they either work or live in the same premises as the promoter.

5. You may only display this poster or advertise the sweepstake on the premises in which the sweepstake is taking place (see before).

6. The rights of any entrant are not transferable to any other person and any attempt to transfer them will be treated as inelective.

7. If the game does not get full the entrants can have their £2 returned to them, or they may wish to donate it to Cancer Research UK.

8. The game will close on ______________________ and where possible the winner will be revealed within 5 working days of the closing date.

9. The promoter is responsible for ensuring the sweepstake is run properly – Cancer Research UK are not promoters and do not accept any responsibility for your sweepstake.

10. Any personal information collected will only be used for the proper purposes of this promotion. Please note this game is a work or residents’ lottery as defined in the Gambling Act 2005 so whilst the proceeds of the game cannot be donated directly, we hope that the winner will choose to donate all or some of their winnings to Cancer Research UK.

Cancer Research UK is a registered charity in England and Wales (1089464), Scotland (SC041666) and the Isle of Man (1103). Northern Ireland charity number pending.

HOW THE GAME WORKS

1. Choose a food from the list and store it securely in an envelope

2. Stick up this sweepstake somewhere visible – in the staff room, kitchen or in the office

3. Ask people to give £2 and to write their name (and contact number) under the food of choice

4. Once the game is full, open the envelope and reveal the winning food to your supporters

DID YOU KNOW?

The food we eat could affect our risk of developing cancer. Experts think that nearly 30,000 cancers in the UK may be linked to unhealthy diets. Choosing healthy options does not have to be difficult or expensive and could lower the chances of developing cancer. Simple swaps can help you eat a balanced diet that’s high in fibre, fruit and veg, and low in processed and red meat and salt.
