We pledge

to inspire and share

Because sharing brings us together. And together we can help beat cancer.

Events catalogue
January 2020 – February 2021
Events for everyone

Inspire events
These are informal and informative sessions for you to hear about some of the most recent breakthroughs – as well as new, pioneering research projects. Each event takes place in a unique venue such as a hotel, castle or museum, and refreshments will be provided. Along with inspirational talks, they are also a chance to find out more about how your support makes a difference.

Lab Tours
Get closer to the science that has helped double cancer survival rates in the last 40 years in the UK by getting hands-on in a lab environment. A lab tour includes a presentation from one of our scientists or nurses and an overview of the ground-breaking work being explored.

Evening of Christmas Music/Evening of Summer Music
During Christmas, we host carol concerts across the country, and in the summer, evenings of music and celebration. These concerts are hosted in amazing venues from cathedrals and churches to stately homes. They’re evenings of science, celebration and song.

North Scotland – Highlands and Islands

Inspire event
The Beaufort Hotel, Inverness IV2 4AG
3rd June 2020  Inspire event number: 10

Area Legacy Manager: Paula Guanaria
paula.guanaria@cancer.org.uk
07879 814452

Really learnt a lot, and very professionally done. Everyone very welcoming. Again I cannot express how much I learnt about all the work involved.
