Ride for Research – Rules for Individual Participants Organising their own Event

Updated 01/04/2019

General

Thank you for taking part in Ride for Research!

These rules (the “Rules”) apply to Ride for Research and by registering for Ride for Research you agree to comply with them. Please check this page from time to time, as we may occasionally amend these Rules and any changes will be binding on all participants and supporters.

If you have any questions or complaints, please contact us on 08701 60 20 40 and a member of our team will be happy to help you.

Ride for Research is promoted by Cancer Research UK (a registered charity in England and Wales (1089464), Scotland (SC041666) and the Isle of Man (1103)) (“CRUK”). It is an opportunity for horse riders across the country to do a sponsored hack and raise awareness and funds for Cancer Research UK.

Your hack can be as long or as short as you like. You just need to set a distance which you and your horse can achieve, encourage friends and family to sponsor you and track your hack on a tracking app so you can show everyone you have completed your ride.

Registration

1. Ride for Research is a fundraising event open to UK residents.

2. Only registered participants are eligible to take part in Ride for Research.
