EARLY DIAGNOSIS RESEARCH CONFERENCE,
23RD FEB 2017
SARA HIOM
CANCER RESEARCH UK

EARLY DIAGNOSIS CONFERENCE 2017
INVESTIGATING, INNOVATING AND IMPLEMENTING

• CANCER SCREENING
• PATIENT FACTORS IN TIMELY PRESENTATION & DIAGNOSIS
• UTILISING LOCAL DATA TO INFORM POLICY
• OPTIMISING CLINICAL PRACTICE & SYMPTOMS
• INTERNATIONAL PERSPECTIVES
• CANCER DATA TO ACHIEVE NEW INSIGHTS IN CANCER CONTROL
• SPOTLIGHT ON LUNG CANCER
HOUSEKEEPING

- FIRE DRILLS
- MOBILE PHONES
- EVENTPRO UK

- EVALUATION FORMS
- PRESENTATIONS
- FILMING

FUNDING OPPORTUNITIES
EARLY DIAGNOSIS FUNDING OPPORTUNITIES

<table>
<thead>
<tr>
<th>Early Diagnosis Advisory Group (EDAG)</th>
<th>Commissioned short term research to add to early diagnosis evidence base.</th>
<th>Open call expected June 2017</th>
</tr>
</thead>
<tbody>
<tr>
<td>Catalyst Award</td>
<td>Open to UK and International researchers, supporting capacity building and collaboration</td>
<td>Autumn 2017 (Expression of interest)</td>
</tr>
<tr>
<td>The Pioneer Award</td>
<td>High-risk, high reward innovative research, up to £200,000 to support projects lasting two years</td>
<td>Proposal submission deadline: 24th April 2017.</td>
</tr>
</tbody>
</table>

Population Research Awards

| Population Research Programme Grants | Long-term support for broad, multidisciplinary research | Deadline: November 2017 (Outline application) |
| Population Research Project Grants  | Support hypothesis driven research over specific timeframe | Deadline: 31st May 2017 |
| Population Research Postdoctoral Fellowships | Postdoctoral researchers to develop careers in field of population research. | Deadline: November 2017 |

PATIENTS, POLICY AND PRACTICE

FACILITATOR PROGRAMME

Supporting cancer prevention
Increasing screening uptake
Improving recognition and referral of symptomatic cancers
Diagnostic access and capacity

LOCAL INTELLIGENCE DATA
PATIENTS, POLICY AND PRACTICE

STRATEGIC GP LEADS

- Strategic clinical advice to support decision making
- Working across organisational boundaries
- Providing clinical leadership

POLICY/PUBLIC AFFAIRS & CAMPAIGNS

HIGHLIGHTING MISSED CANCER WAIT TIMES IN THE PRESS

ASSESSING GOVERNMENT DIAGNOSTICS FUNDING COMMITMENT

PATIENTS, POLICY AND PRACTICE

TALK CANCER

Our Talk Cancer workshops equip and empower local staff to raise cancer awareness in their community

PATIENT INVOLVEMENT

- Involvement
- Communicating Impact
- Research Participation
- Personalised Information
