THE IMPACT OF COLLABORATION:
THE VALUE OF UK MEDICAL RESEARCH TO EU SCIENCE AND HEALTH

This study focuses on the five key areas that show how UK medical research impacts on the EU:

- **Development of New Therapies and Medical Technologies**
- **The UK’s World-Renowned Medical Research Facilities**
- **The UK Contribution to EU Advisory Bodies, Networks and Policies**
- **A Leader in Training and Career Development**
- **Development of Pan-EU Clinical Trials**
